MOD. ECO TWO CHAIRS

TECHNICAL DESCRIPTION

ECO TWO is a chair conceived and designed for use in public offices, workplaces, bars, restaurants, hospitals and conference rooms, an ideal product for collective spaces in general.
Simple, comfortable, light and handy design
The single-frame is made with top quality polypropylene and comes in various colours (Blue-Black-Red-Yellow).
The 4-leg metal frame allows perfect stacking which represents a great advantage in the various management operations of a canteen: space recovery and easier cleaning of the floors.
